**WURTSBORO SENIORS, ALONG** with Senator John Bonacic and the president of Regan Development, Larry Regan, kick off the construction of Horizons, a new senior housing complex. This project is designed to create affordable housing for senior citizens around the Wurtsboro area. The construction of the 42 single-bedroom and the 6 two-bedroom apartments are slated to be finished by next summer, with prices starting at \$423 a month for the singles and \$508 a month for the doubles.
