Qualification Guidelines

Applicable Maximum Incomes

Project financing requires the following maximum incomes, which apply by household size:

Household Size	Income Limit
1 Person:	\$51,800
2 Persons	\$58,500
3 Persons	\$65,820
4 Persons	\$73,080

* Tenant pays heat, hot water, and electric.

**Some of Akabe Village's 31 resident apartments must be set aside for people with special needs. Therefore, the exact type and location of available apartments of all types may vary.

Some apartments are reserved for households with incomes at lower levels than these maximums.

These incomes are calculated just prior to signing a lease on the apartment. If the income rises or falls after the time of income qualification, this will not effect qualification. However, this assumes that the income qualification was correct and true at the time of the qualification.
