Qualification Guidelines

Most apartments are set aside for households with at least one person age 55 or older. Certain other apartments are set aside for persons with disabilities.

Applicable Maximum Incomes

Project financing requires the following maximum incomes, which apply by household size:

Income Limits (50%-60%)

1 Person Household: \$45,050-\$54,050

2 Person Household: \$51,450-\$61,740

3 Person Household: \$57,900-\$69,480

4 Person Household: \$64,300-\$77,160

Some apartments are reserved for households with incomes below these maximums.

These incomes are calculated just prior to signing a lease on the apartment. If the income rises or falls after the time of the income qualification, this will not effect qualification. However, this assumes that the income qualification was correct and true at the time of the qualification.
